Ferm. Decorated Custard Napolitana 120g

A Napolitana made with margarine, of a generous volume and with a very tasty cream. It is notable for its handling: it comes pre-painted with egg and decorated, as easy as that.

SPECIAL FLAVOUR: filled with custard-flavoured cream, with a touch of milk added that lends it creaminess.

EXQUISITE DECORATION: it is decorated twice: pearl sugar that caramelised on the surface after the baking, and chopped peanut.
