Cereals and Seeds Country Bread made with Sourdough pH4.8

The perfect balance between taste and health.

It is a 100% natural premium loaf, which combines the delicious flavor of cereals and seeds with all the properties that sourdough provides.

It is made with 13% natural sourdough from the crop that provides flavor, greater durability and greater digestibility.

It is made with 69% of Cereals and 12% Seeds. All flavor outside and inside.

Cereals: wheat, rye, rolled oats.

Seeds: sunflower seeds, flax, sesame, pumpkin seeds.

It is baked in a stone sole oven which enhances its rustic crust and the alveolate crumb.
