

REF. 130754

Barbecue Panini 175g

A new Panini to add value at the point of sale.

An express bread made with very, very long fermentation processes, producing an extra crispy crust with an intense golden colour, an aroma full of nuances and a tender and fresh bite.

A base of chicken breast with barbecue sauce, with a smoky aroma and a caramelised flavour, is spread over the bread, and strips of bacon and grated mozzarella cheese are added.
