Puff Pastry Butter Sheet 53x37cm 800g

Versatile, tasty, and with a high percentage of butter!

The puff pastry sheet is a piece of pastry used for a multitude of preparations. Preparing a good puff pastry takes a lot of work, so we make it easy and we do it for you.

Wheat flour and butter dough, but the percentage of butter in the recipe is very high (31%).

Formed by more than 400 layers, from which we obtain a growth sheet after the perfect baking, which leaves an exquisite buttery smell after baking.
