Pre-cut Maxi Brioche Burger Bun 85g

Improved recipe !

Now pre-cutted.

Easier and faster for the point of sale.

Our Burger Brioche will not leave you indifferent due to its intense butter flavor and its yellow crumb thanks to its notable % of butter on its recipe.

The mix between the sweetness of the bread and the salty ingredients creates a whole world of delicious contrasts.

In addition, it is already painted with egg that gives it an appetizing and shiny golden color... and in MAXI size of 12cm ideal for the most complete burgers.
