Acqua Express "Bocata" Super 155g

TAKE YOUR SANDWICHES TO ANOTHER LEVEL!

PREPARATION. Made using the careful and patient process of our Water Range, which results in this extraordinary bread with great durability.

CRUST. Rustic texture and slashing, but with a thin thickness for easier biting.

CRUMB. Highly hydrated crumb with open structure, resulting in a fresh and very pleasant texture to eat.

ALWAYS LIKE FRESHLY BAKED. Always offer it hot: tender and crunchy, as its high hydration allows it to be reheated at any time of the day, so you can serve it as if it were freshly made.
