Basil and Tomato Pick & Go 90g

A very Mediterranean, fresh, and tasty recipe!

HAND-FORMED. It's closed by hand, so each piece has a touch of authenticity and craftsmanship, making it unique.

GREEN DOUGH. Its naturally green dough and the name of the recipe printed in the center of the empanada help identify it, making it easy to spot at the point of sale.

FRESH MEDITERRANEAN-STYLE FILLING. We embrace Mediterranean cuisine with a filling of dried tomato (5%) and basil mixed with natural cream cheese (21%) and shredded Gouda cheese (5%). It also includes sliced black olives, adding a special flavour.
