Barbecue Braid 114g

The Street Food Chicken combines the tradition of American street food with a flaky, braided pastry filled 32% with chopped roasted chicken breast, shredded mozzarella cheese, and barbecue sauce.

With a crispy, glossy exterior, the aroma of toasted dough, and sweet-smoky notes, it delivers a juicy and flavorful bite, ready to bake and serve. Its versatile format makes it an ideal option as a savory snack, café menu item, brunch offering, or food-to-go, ensuring consistent quality in every preparation.
